Hi,

I am the executive chef at grace meat and 3 in the grove and we found a bowling bag with 2 balls and a patch the says 600 club from Kearny. I was wondering if you knew anyone that had lost a bowling bag recently, we found it Saturday or Sunday may 11 or 12th. I'm sure this is a pricey item. So I'm looking to return the product to the owner.

**KENNY KIEL**
